

Club Secrets USA Collection (Club Secrets USA Trilogy Book 4)

A first-year medical student begins playing doctor at private nightclubs in South Florida and New York. In his first moments at home between college and starting med school, David Hauser learns his parents run an X-rated dating site and Andrea, his beautiful blond neighbor and the object of his teenage fantasies, frequents a local sex club formally run by his family. What he doesn't know is that this new knowledge will have a greater impact on his future than all his years of schooling. This Collection includes all three books in the CLUB SECRETS USA series by USA Today bestselling author Layla Wilcox! CLUB SECRETS Recent college grad David Hauser gets some interesting lessons from unexpected mentors, and discovers that living out his childhood fantasies with the MILF down the street can have surprising consequences. CLUB MIAMI Like many handsome young bucks, David Hauser acts with his heart (and, well, you-know-what) first. Will anyone including Andrea, his MILF turned girlfriend be able to convince him to use his head as well? It may take David a few visits to Club Miami to work it all out. CLUB MANHATTAN While in the Big Apple, David enrolls in BDSM training at Club Manhattan so he can fine-tune his lovemaking skills for Andrea. The school pairs him with raven-haired, blue-eyed Jessica Richmond, a first-year law student taking submissive training. David discovers Jessica has a past as dark as her hair and a spirit as bright as her eyes. David begins to question which woman in his life will prevail. Hot and steamy as the South Florida and New York settings, this contemporary romance boxed set is for adult readers, 18+ only!
