

Science of Personal Achievement

TIMELESS LESSONS FROM THE PIONEER OF SUCCESS! The worlds foremost producer of personal development and motivational audio programs now gives you a time-tested formula for self-motivation and achievement. The landmark bestseller Think and Grow Rich established Napoleon Hill as one of the worlds most revered and trusted authorities on personal development. Now, in this rare collection of original recordings, Hill shares the success secrets he learned from the achievers who influenced him -- Carnegie, Edison, Ford and the other legendary leaders of the early 20th century -- and the common set of universal principles that Hill discovered at the root of their success. The proven wisdom of these timeless principles, revealed in this remarkable program, offer a road map to achievement that will help you: * Unleash the power of positive thinking * Gain an unflinching belief in yourself and your ideas * Motivate others with your enthusiasm and faith * Develop mental skills needed to transform your ideas into realized accomplishments You dont need to forge the path to success on your own; with The Science of Personal Achievement, the master will show you the way!
