

Antiquities Solutions Part 3: Birthday Surprises: A Story of Mind Control

Antiquities Solutions, a mysterious shop which, according to softly whispered rumor will never appear in the same place twice, a shop that seems out of time, where those lucky enough to be invited find themselves compelled to discuss their largest, most worrying issues with the staff, who always seem to have the perfect solution to their problem, for this shops wares are no normal antiques, each has a storied history, and mysterious effects that, if used correctly can usually solve the customers problems quite easily. Zoe, a young office worker is out searching for a birthday gift for her coworker and love interest Wes, but it cant be just any gift. The two of them are the last workers standing in a department renowned for the unyielding, overwhelming temperament of their supervisor, a situation that has left both Zoe and Wes to tired or busy, depending on the time of day, for romance. As shes faced with the challenge of finding a gift that will pull Wes out of his normal job related fatigue and get him to really notice her as a woman Zoe happens across a mysterious antiques shop, whose otherworldly blue haired owner has a solution to her trouble, a pair of potions, one for men, one for women, both designed to arouse great lust and desire, one for Wes to get him to notice her, and one for Karen, a distraction to keep the stunning blonde beauty out of the way of Zoes romantic intentions. But when Zoe mistakenly drinks one of the potions herself, along with the others she may get more intense results than advertised, and give all three coworkers a new definition of coffee breaks in the office Plus, while the shop and its keeper travel the globe, helping those in need the question of why they do so remains, while others, cautious of the power held in the store keep their own plans in mind. As the shopkeeping sorceress gathers further power what will her plans come to? And who are the ones

who follow the shops movements, seeking to interfere in its work for their own ends? Antiquities Solutions Part 3: Birthday Surprises is a 9900 word story of erotic Mind Control and Magic, for readers eighteen and older, enjoy.
