

The Swingers Club: The Swingers Club 3 (Sadie Somertons Swingers Club)

So tell me, whats your desire? Whats your fantasy?Christina Winters has it all: she has a successful career; Adam is the sweetest, most caring husband, who also just happened to be exceedingly wealthy; she has traveled the world, eats in the finest restaurants, and has wonderful friends. She really shouldnt want for anything.But Christina wants to explore. She wants to try things shes never tried before. When Adam finds this out he encourages her. His only condition is that she must tell him everything...The Swingers Club turns out to be exactly what she needs: the perfect place for multiple encounters with men and women, including the blackout room where everything is anonymous and all other senses are heightened by the complete darkness.A steamy story about an open and loving relationship, featuring hot wife cuckoldry, anonymous encounters, and more (FF, MFM, MF and group).[Note: Each book in this series is also a standalone story and can be read in isolation. This book was previously published with the same title under the pen-name Polly J Adams.]
