

The Sworn Sword: The Graphic Novel (A Game of Thrones)

In this comic book/graphic novel adaptation set one hundred years before the events in George R.R. Martin's epic fantasy series, *A Song of Ice and Fire*, *The Sworn Sword* follows the adventures of Ser Duncan and his squire, Egg, as they quest for honor and glory in the Seven Kingdoms. After the deaths, surprises, and heroics in *The Hedge Knight*, Dunk and Egg continue their journey in search of the fair puppeteer Tanselle. Along the way, the elderly knight Ser Eustace takes both men under his charge, alongside another knight and this one promises trouble. Peace is ever elusive for Dunk and Egg, as they are soon embroiled in the schemes of local nobility, while a darker, greater thread threatens to unravel long-held truths of the Battle of Redgrass Field. In classic George R.R. Martin fashion, heroes and villains are never clear-cut, and political alliances threaten to slice the deepest. Yet one path lies ahead for Dunk and Egg: onward toward destiny. Join them as they venture along a now-familiar world but in a time all-new! Collecting *The Hedge Knight II: The Sworn Sword* #1-6, this special edition comes packed with over twenty-five pages of bonus material! This graphic novel features panel-by-panel viewing to enhance small-screen reading. Kindle Panel View is available on Kindle devices and apps (on touchscreens, simply double-tap a panel). Be sure to read the easy-to-follow instructions when you first open the comic.
