

The Tempting of Thomas Carrick (Cynster Novels)

#1 New York Times bestselling author Stephanie Laurens returns to Scotland with a tale of two lovers irrevocably linked by destiny. Thomas Carrick is driven to control all aspects of his life. The wealthy owner of Carrick Enterprises, located in bustling Glasgow, he is one of that city's most eligible bachelors and intends to select a wife from the many young ladies paraded before him. He wants to take that next step along his self-determined path, yet no one captures his eye, nor his attention not the way Lucilla Cynster did. Thomas has avoided his clans estate because it borders Lucilla's home, but disturbing reports from his clansmen force him to return. His uncle, the laird, is ailing, a family is desperately ill, and the healer is unconscious and dying. Duty leaves Thomas no choice but to seek help from the last woman he wants to face. Strong-willed and passionate, Lucilla has been waiting for Thomas to return and claim his place by her side. She knows he is her fated lover, husband, protector, and mate just as she is his one true love. Though his return was not on her account, Lucilla is willing to seize whatever chance Fate hands her. Thomas can never forget Lucilla, or the connection that seethes between them, but to marry her would mean embracing a life he does not want. Lucilla sees that Thomas has yet to accept the inevitability of their union. But how can he ignore a bond such as theirs one so much stronger than reason? Lucilla is as determined as only a Cynster can be to fight for the future she knows can be theirs. And while she cannot command him, she has powerful enticements she's willing to wield in the tempting of Thomas Carrick. A neo-Gothic tale of passionate romance laced with mystery, set in the uplands of southwestern Scotland. A Cynster Second Generation Novella classic historical romance of 122,000 words.
