

Following the Wolf (Trilogy Bundle) (Werewolf BBW Erotic Romance)

Book One: Forests Dark and Deep Abandoned by her parents at a nunnery by the side of an ancient forest, Riona has always known that she was different. Despite her innate passion and her natural curiosity, she is resigned to spending her life as a pious sister of the order until a pack of werewolves arrive to show her just how special she really is. Rordan is the wolf king of the Dunclough pack, and for his beloved people, he will cross any line and break any law. He was ready for anything, but when his chosen prey turns out to be a beautiful, curvy woman with a fiery spirit and a wild streak, he finds that his plans need to change. Riona must learn about her sacred heritage while learning about the ways of the werewolves and the heart of the man who abducted her. Book Two: The Black Wolf and the Red A night of passion leaves Riona with more questions than answers, and when she flees Rordan's side, she encounters the Kings Dogs, werewolves who live by the law of the land. The Kings Dogs are led by the powerful and charismatic Conleth, who rules his soldiers with tooth and claw. Despite his fearsome exterior, he shows a softer side to Riona, offering her the answers that Rordan never did. When two wolf kings meet, the outcome is blood or peace, and when Rordan finds Riona in Conleth's arms, the chance for peace grows ever smaller. Riona begins to understand who she is and why Rordan needs her, and as she finds herself alone between two warring wolf packs, she must call on her own strength to save a man who seems as much wolf as human. Book Three: The Truth of Blood Riona arrives at the werewolves' ancestral home, and she takes her place among them. She fits among the werewolves in a way that she never fit in at the nunnery, and her life is peaceful except for the question of Rordan. Too much blood and too much hurt lie between them, and she cannot help but remember his dark

deeds even as she thrills to his touch. Riona and Rordan are torn between duty and desire when their home is attacked. Riona must decide what she sees when she looks in the eyes of the wolf king and where her own heart leads her. *** Genre: Erotic Romance / Werewolf Shifter Romance / BBW Romance, length: 22,740 words. ***
