

The Vampires Fall (Mills & Boon Nocturne)

One Kiss Could Cost Him Everything
Half-vampire Blade Saint-Pierre had no choice but to defend the beautiful stranger wandering near Tangle Lake from her demon attackers. Yet, when he sees her blood run black, Blade must deny his fierce instinct to bite because the black blood of a demon means certain death. Zenia is drawn to her mysterious rescuer and, when an adversary attempts to claim Zenia as his queen, she needs Blade's protection more than ever. But it's only a matter of time until Zenia's magical identity and the reason Blade must always remain forbidden is revealed.
