

The Zombies that Ate the World Vol. 6: X-tinction to the z-end

A zombie spoof featuring a group of friends on their journey to start a little business of their ownzombie catchers!. PUBLICATION IN 6 VOLUMES - COMPLETED SERIES. Los Angeles, 2064. In a world where humans have to live along the living dead, a new job opportunity arises: zombie catcher. Karl Neard, his sister Maggie, and his Belgian friend Freddy Merckx, all embrace this career in the hope of making easy money. Unfortunately, the job is not that simple: not only are the dead still walking, but they also have a terrible stench and an awful sense of humor. As a matter of fact, zombies just dont care about anything as their lives are behind them and they now have an eternity to enjoy what is left of the world. Karl and his team will quickly find this fact out as they end up surrounded by all sorts of ghoulish freaks..
