

## Think and Grow Rich (Illustrated): Millionaires Mind Set Training Series (Volume 1)

OVER 13 MILLION Copies sold Worldwide! Napoleon Hill (1883 - 1970) was one of the first authors to focus on Self Development and Personal Success literature. He was one of the first author to publicized the connection between success and the powers of the mind. Think and Grow Rich the book in your possession, is one of the best-selling books of all times. One of his most known saying is, What the mind of man can conceive and believe, it can achieve. His formula for success, as taught in this book, are still popular today, and are still exerting a great influence on the mind of the people who study or write about creative visualization and the law of attraction. Napoleon Hill began his writing career at age 13 as a mountain reporter for small town newspapers and went on to become Americas most beloved motivational author. He dedicated many years of his life to define the reasons why people fail to achieve financial success and happiness in their life. All the breaks you need in life wait within your imagination, Imagination is the workshop of your mind, capable of turning mind energy into accomplishment and wealth. - Napoleon Hill
