

## Melted By The Lion

In a future where fertile women are so scarce, they are often cryogenically frozen in order to help future civilizations reproduce. Now, after being frozen for thousands of years, Savannah Foster is the latest woman to be MELTED. Savannah finds that the man who has thawed her is actually a WereLion looking for a mate. Commander Trevor Beaumont is extremely handsome yet very cold at the same time. He tells Savannah that her job is to become impregnated with his future heir. Nothing more, nothing less. But there is a TWIST. Savannah was not the only female who was melted. At the same time another woman was melted by the Commander and it is now a competition to see who can be the first to produce a baby for the Lion...
