Law of Attraction made EASY! One of the first books written on the Law of Attraction. In this book you will find everything needed to manifest your true abundance. When we come to see that Thought is a force - a manifestation of energy - having a magnet-like power of attraction, we will begin to understand the why and wherefore of many things that have heretofore seemed dark to us. There is no study that will so well repay the student for his time and trouble as the study of the workings of this mighty law of the world of Thought - the Law of Attraction.
