Highlander Romance: Scottish Historical Romance - A British Medieval Erotica Victorian Highland Erotic Short Story A Steaming Hot Highlander Romance Short Story The Highlander Fia looked out over the Loch as her memories raced over the connection that she shared with Harailt. They had known each other since they were children, played side by side, worked the fields together and lost their parents in the same plague. She wanted to be with him longer than he had known. It was not until after the solstice that he took her and then he was gone. She only had memories to hold onto and the child she had born him while he was gone. Having nowhere else to go, she stayed in the town knowing in her heart, one day he would come home to find her and to know his kin. This is an adult, graphic erotic romance short story containing explicit content only suitable for adults.
