

To Dream of a Highlander (Highland Fae Chronicles Book 2)

Scotland, 1230 Sent on a rescue mission, Finn Mac Chaluum is prepared to do his duty, hand over the lass and return home. But fate has other ideas. In the midst of a Norse invasion, Catriona barely escapes with her life. Masquerading as her sister, she finds herself in the hands of Finn who intends to hand her over to her sisters betrothed, Laird Gillean. In the interests of bringing peace to her home, Catriona is determined to continue the ruse even if it means going along with the marriage and denying her growing attraction to a man who keeps his hurts hidden behind a quick grin. If the green faery, Teile, has anything to do with it, Catriona and Finn will come together but only at the right time. Thanks to her last attempt at matchmaking, many paths were changed and now its up to her to put it right. Can she help Finn who learned the hard way that sharing your life with someone only leads to heartache get past his doubts? And will the battle-scarred Catriona even accept him into her heart? When Laird Gillean's attentions toward Catriona become dangerous, both Finn and Teile will find they have an uphill battle on their hands.
