

## Highlander The Dark Dragon (Macinnes Sisters Trilogy) (Volume 3)

Heather Macinnes is finally safe at home, her two sisters there to offer comfort. She escaped the notorious ghost warriors and thankfully never laid eyes on their leader the Dark Dragon. Her ordeal is done. However, she learns only too soon that her ordeal is far from done...it is just beginning. The Dark Dragon is as mysterious as the past he keeps hidden, but secrets slowly come to light, and when an old foe arrives to seek revenge, the Dragons past comes back to haunt not only him but the woman who loves him against all odds. With secrets to uncover, revenge to seek, and war looming on the horizon, Heather and the Dark Dragon must lay the past to rest, so they can build a future together.
