

Tony n Mac The Necrophiliacs: I dated a live chick

Tony and Mac are two very right wing and conservative men, who happen to also be necrophiliacs. They of course do not know that having sex with dead people isnt normal. They are very vocal against liberal ideals and moral ideals they hold dear. All hell breaks loose when Tony decides to date a living girl. Tony doesnt know how to behave, Mac cant believe what hes seeing and the effeminate eastern European bi-sexual necrophiliac does his best to destroy the relationship. Issue one in what will be an ongoing series
