

Luca (A Stepbrother Romance)

Standalone Full-Length Novella
No Cliffhanger Born hopeless and ill-fated in a run-down, dusty town, Amelia Caldwell had a rough introduction to life. But when shes torn from poverty and brought to the heights of opulent wealth by her mothers fortuitous marriage, she thinks she has finally made it to Easy Street. Until, that is, her mother dies from cancer a few short years later. Left with no one but her billionaire stepfather and a private school filled with rich, spoiled brats, Amelia becomes ever more withdrawn as she dedicates herself to excellence both academically and in sport. By all outward appearances she seems to have everything a young woman could want. But a shy introvert always lacks something. Luca Cipollini is a rich, reckless bad-boy who bounces from one boarding school to the next. Finally kicked out of Italy after a scandalous affair with a teacher, he unexpectedly finds himself in the U.S. when his mother remarries. Little does Luca know that his life is about to change, and in a big way. After meeting his new STEP, Amelia, the two connect instantly and become inseparable. But Lucas troubled past comes back to haunt him. And Amelia needs the love only Luca can provide, but shes a good girl and doesnt dare upset her stepfather and his new wife. To what ends will these two star-crossed lovers go to be together? ***Standalone Full-Length Novella*** ***No Cliffhanger*** HEA 18+
