

All Hands on Deck - Forbidden & Fertile Brats

No you wont. Youll stay on board my boat and do your duty, young lady, Bob told me sternly and I knew just what he meant. Daisy is a serious brat but when the judge offers to let her work instead of going to prison, Daisy jumps at the chance. Thats because Crazy Bob, the captain of the boat, has offered her a job working with his crew full of hot, young fishermen. Daisy cant wait to enjoy all hands on deck. But when production drops off, Bob discovers why. Daisy has been keeping his crew too busy to work. Now Crazy Bob will have to take care of Daisy so his crew can get some work done on those long, hard nights at sea.
