

## Youtube Downloader for Android

You're watching an awesome Web series or boogying down to a music video on YouTube when you realize that you're about to go somewhere with little or no connectivity. Fortunately, with a few simple steps you can save any video on YouTube to your Android phone for offline viewing. You can even convert music videos to MP3 files you can put on your playlist. Here's how to download YouTube videos on your Android phone. Note: Downloading videos may violate YouTube's terms of service.
