

Never Surrender (Task Force Eagle Book 1)

Book 1, Task Force Eagle In hot pursuit For years, DEA Agent Ricardo Cruz has pursued El Aguila, the gun-and-drug-smuggling cartel that killed his older brother. When Rick finally has a lead in Maine, his suspect goes underground and the sister refuses to cooperate. Beautiful Juliana Pariss quick wit and loyalty draw him but he cant afford involvement with his suspects sister. With no way back Because Julianas father suffered injustice that led to his early death, she intends to find her troubled younger brother and ensure the law treats him fairly. Shes determined not to fall for the sexy agent, even if he is dedicated and honorable. Threats by the cartel, who plan to use her to lure out her brother, force her to accept Ricks protection. The only choice is ... surrender. Juliana wants no charmer like the men her mother keeps marrying, and Rick wants no strings. Although attraction sparks between them, the two are at odds and their personalities are polar opposites, but they must work together while evading the thugs. Their hunt for the brother and the cartels American connection leads them into each others arms and into deadly danger.
