

Twisted Affair Vol. 4 (An Erotic Romance)

My life was almost back on track. I actually enjoyed my job. I had a gorgeous wife who my family loved, and an equally gorgeous girlfriend who I loved. But I couldn't shake this feeling that it was all going to hell soon. As Blayne Westmore tries to juggle the woman he's married to and the woman he's in love with, he begins to see that things aren't as simple as he'd hoped. He has no doubt that he loves Katka Dusek, the fun-loving and passionate younger twin, but he also finds himself thinking more and more about her more serious, intelligent sister, Livie. When he finds out the truth, however, it shakes him to his core and leaves him with the most difficult decision he'll ever have to make. Don't miss the biggest twist yet in the penultimate installment of M.S. Parker's latest series, Twisted Affair!
