

Beaut Aussie Utes

Australia's favourite car is the ute. Beaut Aussie Utes showcases the best of Australia's utes - and their owners - in photographs taken at musters and shows around the country. If you're one of the many ute owners or ute lovers across Australia, Beaut Aussie Utes is for you. You could be in the city, you could be in the country or maybe your ute travels the outback. Maybe your ute has taken you to a campsite by the beach or maybe you're working it hard on a dusty bush road. You could be in any state or territory of Australia, because there's nothing more Australian than a ute. Josh Bryce has travelled around Australia meeting Aussie ute owners and their vehicles, and taking their photographs. In Beaut Aussie Utes there are photos from the Darwin ute muster, Lights on the Hill truck show, a B&S ball in Western Australia, and musters in Queensland. Some ute owners are on their Ps; some are old-timers who have seen the wide brown land from their utes and they're still travelling. There are utes polished up for musters, mud-spattered utes and utes that are home to quite a few interesting stickers and flags. So whether you're partial to Holden, Toyota, Ford, Nissan or even a Dodge pick-up truck, you'll find utes to love in Beaut Aussie Utes.
