

Love is Undead: Tales of a Teenage Zombie

In a parody of all things zombie and teenage love, this is a tale about Eric Edmundson, a recovering zombie. Determined to re-enter society where he left off, and give up his man-eating ways, Eric seeks acceptance at Romero Central High School. But many of his peers will stand in his way. Some will still hold their prejudice against the new guy in school; others won't give him a second look. But there is one person that might make it possible for Eric to feel normal again: a girl named Jessica. Jessica is one of those few people who are blind to his faults. She doesn't seem to mind the smell, the drool, or the complete lack of pigment in his eyes. Her love, after all, is undead. But how wise is it to become romantically involved with a zombie?
