

Unholy Pursuits (Immortal Hungers) (Volume 1)

Darien let his guard down once, and Alysanne stole the demon stone out from under his nose. Now he has to get it back, no matter what the cost. It doesn't matter that the feisty redhead calms the demonic voice in his head, or that her body tempts him beyond reason. Only the stone will ensure his survival. As he tries to seduce it away from her, a connection starts to form between them. Now he must decide whether to save his sanity, or his heart. The more Darien showers her with kisses, the more Alysanne's heart softens to his cause. She knows she won't be able to resist his charm for much longer. Despite the temptation, she knows she must keep the stone safe, because if the demon in his mind claims it, an unholy force would destroy everything she had ever loved including him.
