

Unprotected (Older Man Younger Woman Discipline Story)

Brenna is a young, tight bodied girl with the kind of ambition that is going to land her in a lot of trouble one day. She's got her sights on her hot, rich older neighbor, and already she has put him in a really tight spot. She might be inexperienced, but that won't stop her from doing something extra naughty to get what she wants. Now it's clear that Brenna has gone too far, and the only way she'll ever learn her lesson is by getting punished. It might be her first time, but one thing is for certain—there's no pulling out!
