

Stranger in the Mirror (Soul Change Novel)

Readers who love Nora Roberts, Kay Hooper, and Lisa Gardner will enjoy this novel of suspense, romance, and a touch of the paranormal by bestselling author Tina Wainscott (aka Jaime Rush). SHE AWOKE IN THE WRONG BODY, BUT IN THE ARMS OF THE RIGHT MAN

In *Until I Die Again*, Chris Copestakes died in a terrible car wreck and woke up in the body of beautiful, selfish Hallie DiBarto, the wife of a wealthy California resort owner. But what happened to Hallie's soul? SURE, SHE MADE MISTAKES, BUT THIS WAS TAKING ATONEMENT WAY TOO FAR

On the brink of a bitter divorce when she was struck by a cerebral hemorrhage, Hallie died, only to discover her life wasn't over. Like Chris, she was given a second chance and reawakened as Marti West, a quiet but calculating waitress in a Florida hick town. Even worse for the former party girl, she's carrying the child of Jesse West, the Southern stranger Marti tricked into marriage. All Hallie wants, or so she thinks, is to return to California. But she can't resist her racecar driver husband's one request: stay until she has his baby. Soon, she's having a harder time resisting her newfound feelings for her sexy country-music-loving husband, as well as his warm, tight-knit family. As she struggles to adjust to her new life and conflicting feelings, Hallie finds herself in a race of her own: to uncover the truth behind a savage attack before the assailant who meant to kill Marti returns to finish the job.
