

## In a Heartbeat

The lone survivor of a serial killer is once again a target in this classic tale from USA TODAY bestselling author Rita Herron. With one brief, terrifying phone call, Lisa Langley's nightmare began again. Four years ago she was the sole survivor of the Grave Digger, a madman who buried his victims alive. Now a copycat killer is on the loose and she's the only chance Special Agent Brad Booker has of stopping this twisted psycho before more women—including Lisadie. Hard-edged and always in control, Booker has never forgiven himself for failing to save Lisa from being taken by the first Grave Digger. Whatever it takes, this time he's not going to let her down. Because almost losing Lisa is not something he can live through twice.
