

Pleasured by a Lord: Regency Erotica (Regency Rakes and Rogues Book 1)

Pleasured by a Lord Regency Erotica This is the first book in the new series Regency Rakes and Rogues. Portia Ward has desired Lord Ian Hornsbee since she was thirteen and saw him making love to three women in one night. Her goal in life was simple. His lordship would be the man who would marry her and take her innocence. When he leaves to fight in the Napoleonic Wars, Portia fears she may never see him again. With her father's failing health, and Lord Rothbury now a suitor, she has little choice but to marry a man she does not love. However, fate, and her husband's growing addiction intervene and once again she finally comes face to face with the man of her dreams. Will he bring her all she desires or does he simply want her in his bed as part of pawn in his game? About the author Vanessa Devereaux is the international bestselling author of seventy five books in the erotic romance and erotica categories. Her bestselling titles include Cater to Me, Caught in the Act, The Highwayman, The Rake, and Whos the Boss? She also pens three ongoing series, Perfect Pairing, Big Sky County, and the Kalispell Shifters. When she's not writing, she's teaching workshops and tutoring for an online school.
