

## Attack Of The Gay Tentacles

In a world where encounters with alien tentacles are a routine part of daily life, humans are still trying to adjust to sharing the earth with our neighbors from the stars.

While the older generations remain suspicious, young men like Andrew have found themselves swept up in the growing craze of Squid Rock, a new form of extraterrestrial music that's taking the world by storm. Andrew pays no mind to the growing evidence that imbedded within the music is a strange, mind-altering phenomena involving the brain regions that control homosexual lust. When Sirens Summer, an all tentacle Squid Rock band, book a show on Andrew's college campus he's the first in line. But when the lights fade and he finds himself unable to control his own body, Andrew quickly discovers the dark secret behind the squid invasion. And ends up as the centerpiece of a hot, gay tentacle gangbang! This is a 4,000 word, gay tentacle gangbang story, featuring anal, double anal, straight to gay turning, mind control, dub-con, monster sex, rough sex and alien tentacles.
