Rather than depending upon our own strength, as Christians it is our privileged birthright to enter into a daily time of reverent meditation and silence, waiting only upon God for: His answers to our problems, His direction in our lives, and, most importantly, His awesome presence refreshing our spirits and teaching us more about Himself. Andrew Murray shares thirty-one heartfelt meditations, one for each day of the month, to help renew our vision and quicken our desire to turn to the Lord for His quiet, peaceful strength. About the Author Andrew Murray (May 9, 1828 January 18, 1917) was a South African writer, teacher, and Christian pastor. He considered missions to be the chief end of the church. Murray began writing on the Christian life for his congregation as an extension of his local pastoral work, but he became internationally known for his works, such as Waiting on God.
