

Huge 3

They are so big it took three volumes to make them fit! These boys were too big for two volumes, so STARbooks Press is proud to release HUGE 3, edited by the legendary JOHN PATRICK. Break out the tape measure because you won't believe how the hot men in these stories are hanging! Can you handle it? It's HUGE 3, edited by JOHN PATRICK. Grab plenty of lube, and you may want to bite down on something big as well because these men will make you scream for more! Oh sure, you say size doesn't matter, but we all know it does. What good is the motion of the ocean if you are stuck with a dingy? Everyone needs a full-size steamer. How else will you get to the other side? In true John Patrick style, the legends of gay erotica are gathered together in one anthology.
