

Warriors Bride

The Seers Stone. Locked away in a tower, young Isobel had watched its power slowly drive her mother mad. And now, years later, the Stones secrets threatened to be the death of Isobel as well. Douglas Stewart, known as the Black Wolf of Scotland, had no intention of taking a wife, despite his fathers demands. But the moment he saw Isobel, he was spellbound by her fiery defiance and delicate beauty. They were united by destiny yet beset by betrayal. Only by opening her heart to love and living up to her legacy could Isobel become a Warriors Bride.
