

## Family Ties (G Street Chronicles Presents)

Skylar had everything a woman could hope for. She had the money, clothing, jewels and the perfect man to finance it all. She was living in the lap of luxury, until it all came crashing down after her boyfriend was murdered, during a drug deal gone wrong. Skylar suddenly finds herself broke, hungry, and alone. Unable to fend for herself, she leaves the world she once knew behind to start over in Atlanta and reclaim the man that once got away, Brian. Although, the two of them only shared a brief sexual encounter, Skylar never truly forgot the way Brian put it down, bringing her to the highest point of ecstasy. Not only will Brian be able to quench her sexual thirst, hes the perfect man to pull her out of her financial rut. Since their last encounter, Brian has been making his mark in the music industry, as one of the most sought after producers in the country. Skylar knows her life with Brian will be perfect, theres just one obstacle standing in her way, her cousin and Brians fiancee, Lynn. While Lynn is planning the perfect wedding, Skylar is devising the perfect plan to steal her man. If Skylar has her way, keeping it in the family, will be more than just a phrase.
