

Isabel and The Wolf: Paranormal Werewolf and Shape Shifter Romance (Part Two)

The second episode in the complete, four-part, paranormal werewolf erotic romance serial, Isabel and The Wolf. She's looking for a dominant man. He's looking for a mate. When their very different worlds collide, can they find what they need in each other? Isabel's first encounter with Peter has left her crazy with desire as well as frustration. A second meeting promises the completion she so badly needs. Before this can happen though, her submissive desires are put to the test. Signing her autonomy away to a man who makes her feel like a hunted rabbit could be the stupidest thing she's ever done. But the reward is a glimpse into Peter's wild life, deep in the New Mexican wilderness and the most intense passion of her life. Just as Isabel's heart begins to open to the fascinatingly free-spirited man, he slips out of her grasp, reminding her that he's as enigmatic as ever. Isabel and The Wolf: Part Two is a 25,000 word novella and the second episode in the complete paranormal werewolf erotic romance serial Isabel and The Wolf by Ariana Hawkes. It contains cliffhangers. It also contains strong sexual themes and is not intended for readers under the age of 18.
