

Educating Amber (Call Me Book 1)

Naive Ambers new job exposes her to a world she barely knew existed, but shes a quick learner, and acquires a repeat clientele who appreciate her talent with words. Soon she has a list of clients requesting her. But, trouble brews for her heart when she meets Ken, a friend of the agencys owner. Private detective, Ken, is smitten by the naive young woman at their first meeting and determined to make the dazzling beauty his. When a job problem occurs with one of her clients determined to claim her as his alone, fear distracts her from a potential romance and Ken has to find a solution. Can Amber and Ken find real love in a world that isnt known for reality, or will it drive them apart?

: Lizzie T. Leaf: Books, Biography, Blog, Audiobooks So here is the marking paradox: although its one of the most important things Headteacher Tom Sherrington calls it: the albatross effect: I have had countless teachers come to see me over the years, stressed out . All you have to do is scan the piece of work and choose a colour: green, amber or red.
