

What To Expect The 1st Year [rev Edition]

With over 7 million copies sold worldwide, WHAT TO EXPECT THE 1st YEAR is one of the worlds bestselling books on infant care - and it has now been updated and revised throughout by Heidi Murkoff. This comprehensive and practical month-by-month guide clearly explains everything parents need to know - or might be worrying about - in the first year with a new baby. The book covers monthly growth and development, feeding for every age and stage, and sleep strategies that really work. It is filled with the most practical tips (how to give a bath, decode your babys crying, what to buy for baby, and when to return to work) and the most up-to-date medical advice (the latest on vaccines, vitamins, illnesses, SIDS, safety, and more). Featuring dozens of Q&A sections, as well as a first-aid guide and charts on monthly growth and development, feeding and sleeping habits, this is the only book on infant care to address both the physical and the emotional needs of the whole family. Covering the most up-to-date knowledge, both medical and developmental, WHAT TO EXPECT THE 1st YEAR is, above all, down-to-earth and reassuring - and an invaluable aid for all parents of new babies.
