

What to Expect: the Toddler Years 2nd Edition

Overflowing with intelligence and good common sense, this comprehensive guide provides clear explanations and useful guidelines on everything a parent might want to know about the second and third years of their child's life. On a month-by-month basis, WHAT TO EXPECT THE TODDLER YEARS explains what a toddler will be able to do at that age, and what to expect in the months ahead. Featuring topics from potty-training to sleeping problems, disciplining to how to encourage learning and thinking, this book covers it all - including invaluable advice on how parents can make time for themselves in the midst of it all. Answering parents' questions such as How can I get my toddler talking? and My toddler is a fussy eater - how can I be sure he's eating what he should?, WHAT TO EXPECT THE TODDLER YEARS is an essential guide to keeping a toddler safe, healthy and - above all - happy.
