

## When an Omega Snaps (Lions Pride)

Losing control is unheard of until he meets HER. Leo is the calm guy. The nice guy. The one nobody screws with. So could someone explain that to Meena so she stops driving him insane--with desire. When Meena literally throws herself at Leo and declares hes her mate, his first reaction is to deny--and run far, far away. This lion/tiger mix doesnt do drama and chaos. Problem is, once he sets eyes on her, he cant help but want the vivacious blonde with plus-sized curves, perfect for a big man like himself. He wants her even if it breaks all his rules when it comes to women. Wants her even if she destroys his serenity. Wants her more than a perfectly grilled piece of steak with a dash of garlic, pepper, and salt. Thing is, someone else wants her too. This poor omega is about to have his world turned upside down, which means everyone better watch out because when Leo experiences love, jealousy, and frustration for the first time, he doesnt just snap--he roars!
