

When Happily Ever After Shatters: Seeing God in the Midst of Divorce & Single Parenting

With abandonment and adultery, there is no five-step plan for survival, but there can be hope and healing. When Happily Ever After Shatters will be a comfort to those who grieve in solitude, and a hope-filled practical guide for those whose lives have changed irrevocably. Susan Birdseye will help readers learn to honor God when there is no hope of restoration, survive abandonment in and out of marriage, glorify God during a divorce, walk children gracefully through the crisis as a single parent, please God as a single person, again, and truly forgive the one who wronged them.
