

## Valves & Vixens: Steampunk Erotica

A Steampunk anthology containing 9 stories. Valves & Vixens is erotic romance that mixes both the escapism and fantasy of steampunk with the Victorian style. Many writers have worked in the genre of steampunk from Jules Verne all the way to H.G.Wells and with this book the genre gets a good warming up. The stories within reflect a wide mix of backgrounds and settings all linked by the presence of steam at their heart. With a multitude of pairings and heat levels there really is something for everyone.
