

The Injury Victims Guide to Credit Repair

If you have been injured in a car wreck or other serious accident, your credit rating is probably going to be the furthest thing from your mind. Unfortunately, being seriously injured can have a number of consequences on your household income and overall credit rating. Believe it or not, unpaid medical bills are the number one cause of bankruptcy in America. This guide was written based on my experiences as a board certified Texas personal injury lawyer. Over the years, I have helped many individuals to pick up the pieces after a disaster and help them to get their lives back on track. That said, although this guide to credit repair was designed with accident victims in mind, there are a number of topics included which will be of interest to anyone wishing to repair, improve or protect their credit rating such as: Understanding Your Credit Score Understanding Your Credit Rating Your Rights as a Consumer How to Improve Your Credit Rating Avoiding Credit Repair Scams How an Injury Can Destroy Your Credit FullJustice.com
