Until he snatches sexy stock jock Jessica Connor, Ty Aris happily followed his step-brothers orders, producing some of the most coveted black market porn and snuff films on the street. But the day he grabs her in the parking lot, his life becomes a living nightmare. Jessica foils his plans, fires his passion, and frustrates the hell out of him. She never gives in to his demands, his pleas or his desires, and yet a psychic bond claims his soul and melts the iron walls around his heart. His obsession sparks a fierce rift when Frank wants to start filming. Ty stalls with any and every excuse in the book, fueling Franks fury, but he knows its only a matter of time before he loses this game. With the clock ticking, he scrambles for escape options. Options that wont land him in jail ... or worse ... a captive in Franks sadistic prison.
