

BRIDE SUBMISSION: WIFE TRAINING: A erotic romance suspense BDSM mystery

While her pending entry into the new world of the ultra-wealthy is much like an old fashioned arranged marriage, beautiful brunette Taylor Lamb learns as a fiancée she has to pass a sexual training period that is extremely revealing to get her ready for modern wifely duty. The almost virginal woman is tested and trained about sexual services in ways that may make or break her. Her trainer teaches her she has to know and do everything, including things she never dreamed of. Her man pushes her to her limits and Taylor Lamb feels like a sacrificial Lamb as the vows to love, honor and obey focus on her strict obedience with sexual punishments and naked hard won rewards.
