

H.M.S. Bounty : A True Account of the Famous Mutiny

On April 28, 1789, a group of British seamen aboard H.M.S. Bounty seized command of the ship and set her captain and eighteen members of the crew adrift in an open boat 3600 miles from the nearest civilized port. In this startling, fully documented book, Alexander McKee uncovers the answers to these and many other long-unsolved questions.
