

One Time Thing (The Trap Book 0)

Come on, you can say, he said. Say what? Who looks cuter tonight. Me or her? Blessed with good looks and a high opinion of himself, Austin isn't afraid to show his interest in a straight substitute teacher at his school. Not knowing whether the sub is interested in him or not is one thing, but he also has to contend with a jealous popular girl, Holly, who lets him know he's just wasting his time. Incensed by this, Austin vows to prove to Holly that not only can he catch a hot guy's eye but can make him do anything he wants. All it takes is charm, nerve, and the opportunity to surprise everyone dressing as a sexy angel for the school Halloween dance
