

## WISDOM OF THE PEACEFUL WARRIOR: New Light on the Peaceful Warrior Teachings

Nearly a quarter century after the publication of Dan Millmans Way of the Peaceful Warrior, a film adaptation came to the screen in a movie titled Peaceful Warrior starring Nick Nolte as Dans old mentor, Socrates. Dan had anticipated that many questions might come from viewers of that film, and that it was finally time to write a book that directly addressed the original teachings in his first book, and loosely expressed in the movie... Over the years, readers have asked many compelling questions about mysterious elements in his bestselling classic. In this powerful new work, Wisdom of the Peaceful Warrior, Dan selected one hundred key passages and added incisive commentaries to clarify the timeless teachings of his old mentor, Socrates. With practical wisdom gained over the passing decades, Dan now shares fresh insights that readers can apply directly to their everyday lives. Wisdom of the Peaceful Warrior speaks to all adventurous souls seeking a deeper understanding of themselves and their lives. For Dan Millmans loyal readers as well as those new to his work, this book reveals how to live each day with a peaceful heart and a warrior spirit.
