

Destinys Woman (Morgans Mercenaries series Book 20)

She had never needed anyone before. Never ached for a man before. Until her latest mission put Apache pilot Akiva Redtail in the hot seat next to army officer Joe Calhoun. As they rode the thunderous skies, dodging danger at every turn, Akiva discovered a strength in Joes arms, a fiery passion she was powerless to battle against. For only with this rugged soldier by her side could this Native American beauty fulfill the destiny she was born to. Only with Joe did she dare open her heart to love.
