

## Contemporary Maternal-Newborn Nursing (7th Edition)

Maternal-newborn nursing is multi-faceted, challenging and rewarding. It provides multiple opportunities to touch lives and make a difference. In the new edition, those facets and their impact on maternal-newborn nursing is evident, while emphasizing that family members are co-participants in care. Because of the varied and rich opportunities for nurses, the theme emphasized in this edition are the many facets of maternal-newborn nursing. This thread is subtly woven throughout the book.
