

Write Back Soon!: Adventures in Letter Writing

Connect to your friends through handwritten notes, cards, letters, and postcards in an interactive workbook that encourages creative interactions between friends through the written word, complete with cross-outs, smudges, and parenthetical asides. Put down that smartphone and pick up a pen! Texting and e-mail have taken over our correspondence, but Karen Benke is ready to change that. Through prompts that invite penning short postcard-size notes, ideas for sending cards just because, and inspired letter-writing exercises, *Pass That Note!* offers limitless possibilities for connecting with your friends in more personal, unique, and creative ways. Use the book for its letter-writing ideas, tear out pages to send to friends, or write in it as a journal to record big ideas for future correspondence. No matter how you use it, you'll be connecting with the people you care about the most in ways that are surprising, fun, and heartfelt.
