

War Bride (Battle Born Book 7)

Battle Born Prequel: Skylas prophetic dreams aren't enough to keep her from being captured by a fierce Rodyte general, but they help her understand what he wants and why he needs her so desperately. She's now his helpless captive and must decide if she's brave enough to teach this embittered soldier how to love again. Tragedy, and years of war, have hardened Kryton Lux, made him ruthless and unfeeling. He's fascinated with his new captive, ready and willing to seduce her curvaceous body. His heart, however, isn't part of the bargain. She will submit to his sexual demands and when their time together has concluded, she will return to her homeworld and he will never think of her again. Luckily for Skyla, fate has a far different plan for this stubborn general. Note to Readers: This book contains detailed descriptions of sizzling passion only suitable for mature readers. From Cyndi: I've had many requests for more information about the war brides, so I decided to let one tell her story. Skyla is the mother of three upcoming heroes in the Battle Born series. This is a stand-alone story, but I hope you'll check out my other books as well. All my books blend elements of science-fiction, fantasy, and paranormal romance. The Battle Born books lean more toward sci-fi, but there is still plenty of steamy romance. Enjoy!
